OUR STORY

Halftime Pub & Grill was built on friendship, family, and a shared love for the game.

Owners Sam and Erin James, along with Kelli and Jimmy Vollmer, first met at McKendree University, where their love of sports brought them together; soccer for Sam, Erin, and Jimmy, and softball for Kelli. What started as teammates and friends quickly grew into something more: a shared dream of creating a place of their own.

With Sam being from England, it was always part of the vision to bring a true English-style pub atmosphere to life. A place where soccer is celebrated, conversations flow easily, and everyone feels like a regular.

Together with their families, three boys for Sam and Erin, and two kids for Kelli and Jimmy, they took over the space in July 2022 and transformed it into Halftime Pub & Grill. Their goal was simple: honor the loyal regulars, grow the Halftime family, and create a warm, welcoming spot where the community can come together to eat, drink, and enjoy the match.

Whether you're here for the game, the food, or the company, we're so glad you're here.

If you see us around, don't be shy!
Let's raise a glass and cheers to good times!
